

# Vehicle Protection

Designed to enhance every drive.

---

# The Complete Range

No matter what your lifestyle or journey, our affordable range of driver options has been designed to protect you and your car, and enhance your driving experience.

## Exterior Surface Protection

Enjoy a cleaner, well-protected vehicle with the range of surface coatings designed to make maintaining the condition and appearance of your vehicle a quick, simple and efficient process.

ACTIV Exterior Surface Coating protects your paintwork against weather induced oxidation, fading and loss of gloss. **Its self-cleaning properties mean you can spend less time washing your vehicle and more time doing the things you love!**

## Interior Surface Protection

The range of ACTIV interior surface coatings create a barrier against UV damage and staining, meaning that **all fabric, carpet, vinyl and leather surfaces are treated** to protect against discolouration as well as spills and stains.

**Both the ACTIV Exterior and ACTIV Interior coatings are a once-off application for a lifetime\* of protection, and help to preserve your vehicle's re-sale value.**

## Darkest Legal Window Film

As well as stylish looks, enjoy protection against **up to 99% of the damaging UV rays** and rejection of as much as **60% of uncomfortable solar heat**.

This darkest legal film delivers maximum protection, outstanding glare reduction, exceptional heat & UV rejection and of course ultimate privacy. And, it offers the added safety feature of holding glass together in the event of an accident.

Plus it comes with a lifetime warranty\* for added peace of mind.

## Driver Safety Kit

The perfect solution to help keep you and your passengers safe when you're on the road. The **Driver Safety Kit contains all the items you will require to assist with any unforeseen events during your travels**. Housed in a heavy duty carry bag, this kit includes:

- |                                  |                     |
|----------------------------------|---------------------|
| 1. First Aid Kit                 | 5. Hi-Vis Vest      |
| 2. Fire Extinguisher             | 6. Cotton Gloves    |
| 3. Car Power Bank and Charger    | 7. Poncho           |
| 4. Roadside Electronic Flare Kit | 8. Microfibre Cloth |

This compact kit is always ready to help out when you most need it.

## Vehicle Drive Recorder

Helps provide evidence in the event of an accident.

An essential dash cam that helps prevent accidents and promotes safe driving. Front and rear cameras help avoid collisions. It records even while the car is parked - the device automatically records when motion or impact is detected. (Power Magic Pro included to enable Parking Mode)

Plus, the **dedicated App means accessing and replaying footage is available at the click of a button.**

# Vehicle Protection Package Options

# ACTIV Classic Protection Pack

For those who want to maximise re-sale.

## Exterior Surface Coating

ACTIV Exterior Surface Coating is designed to make maintaining the condition and appearance of your vehicle a quick, simple and efficient process.

Not only does it provide an outstanding and brilliant shine, it also protects the coated surface against weather induced oxidation, fading and loss of gloss, as well as bird and bat droppings and tree sap.

- Eliminates the need to wax and polish.
- Helps to keep your vehicle's paintwork cleaner for longer.
- Its hydrophobic properties result in water sheeting off the coated surface, helping take away dirt & dust.
- Provides a revolutionary, permanent, high gloss finish.
- Helps preserve your vehicle's re-sale value.

## Interior Surface Coatings

The range of ACTIV interior surface coatings create a barrier against UV damage and staining, meaning that all fabric, carpet, vinyl and leather surfaces are treated to protect against discolouration as well as spills and stains.

These coatings are a once-off application for a lifetime\* of protection, designed to preserve and protect the paintwork and interior of your new vehicle.

- Provides an easy clean surface to remove stains and marks
- Provides a resilient and effective stain barrier against commonly consumed food and liquids
- Provides protection against surface discolouration caused by UV
- Comes with a nationwide lifetime warranty\*

ACTIV Surface Coatings are a once-off application for a lifetime\* of protection.  
This means you can spend less time cleaning your vehicle and more time doing the things you love.

# ACTIV Exterior Surface Protection

## Paint Surface Coating.

---

ACTIV Exterior Surface Coating is designed to make maintaining the condition and appearance of your vehicle a quick, simple and efficient process. Not only does it provide an outstanding and brilliant shine, it also protects the coated surface against weather induced oxidization, fading and loss of gloss, as well as bird and bat droppings and tree sap.

With a once-off application, it's engineered with nanotechnology and contains self-cleaning properties, meaning you can spend less time washing your vehicle and more time doing the things you love!

### Features:

- Provides an outstanding and brilliant shine.
- Enhanced with UV protectant to prevent discolouration and premature ageing.
- Provides exceptional stain resistances against bird and bat droppings and tree sap.
- The Titanium Dioxide (TiO<sub>2</sub>) ingredient protects the coated surface against weather induced oxidization, fading and loss of gloss.
- Comes with a lifetime warranty for your peace of mind\*.

### Benefits:

- Eliminates the need to wax and polish.
- Helps to keep your vehicle's paintwork cleaner for longer.
- Its hydrophobic properties result in water sheeting off the coated surface, helping take away dirt & dust.
- Provides a revolutionary, permanent, high gloss finish.
- Helps preserve your vehicle's re-sale value.

# Interior Surface Protection

ACTIV Leather, Vinyl, Fabric & Carpet Surface Coating.

ACTIV Interior Coatings protect all fabric, carpet, vinyl and leather surfaces against spills and stains, as well as UV damage and discolouration. These coatings are designed to help maintain the condition of your vehicle and provide a durable barrier against whatever life throws at it.

A once-off application for a lifetime\* of protection, designed to preserve and protect the interior of your new vehicle.

## ACTIV Leather Coating

The lanolin formula offers deep down moisturising protection to soften and preserve the natural beauty of a leather interior.

- Protects against surface dehydration and discolouration caused by UV
- Provides an easy clean surface to remove stains and marks
- Preserves the new leather aroma
- Comes with a nationwide lifetime warranty\*

## ACTIV Fabric and Carpet Coating

Formulated with the bacterial protection system Bactishield, this coating will protect the surface against mould, mildew and other harmful bacteria.

- Provides a resilient and effective stain barrier against commonly consumed food and liquids
- Provides protection against surface discolouration caused by UV
- Comes with a nationwide lifetime warranty\*

## ACTIV Vinyl Coating

Purpose built for vinyl surfaces, this silicon-free formula that provides a low-sheen, non-greasy, non-slick protective finish.

- Prevents surface dehydration and damage caused by UV
- UV stabilised against discolouration
- Comes with a nationwide lifetime warranty\*

# Darkest Legal Window Film

Maximum protection and stylish looks.

You and your passengers will be protected from damaging rays, blocking up to 99% of UV entering through the windows. It delivers maximum protection, outstanding glare reduction, exceptional heat rejection and of course ultimate privacy.

It's the darkest automotive window film and is guaranteed to perform for a lifetime\*.

Our Darkest Legal Window Film starts working the minute it has been applied to your vehicle. This film offers maximum UV protection, and dramatically reduces heat and glare.

One of the other important benefits of window film is its ability to hold shattered glass together in the event of an accident.

This film has also been independently tested by ARPANSA: Australian Radiation Protection and Nuclear Safety Agency and has been certified to effectively protect against solar ultraviolet radiation.

## Key Benefits

- Darkest legal window film.
- Blocks up to 99% of damaging UV.
- Rejects up to 60% of heat and glare.
- Strengthens glass, helping to hold together in the event of an accident.
- Adds a stylish look.
- Increases privacy for you and your passengers.
- Lifetime nationwide warranty\*.
- Increased safety and security for occupants.
- Clear film is available for vehicles that are manufactured with privacy glass.

With the Driver Safety Kit, you'll always be adventure-ready.

# Vehicle Drive Recorder

Helps avoid collisions and promote safe driving.

An essential dash cam that records every drive in full HD quality, including superior night-time vision. The device can also record even when the car is parked by using the Power Magic Pro (that comes included) that will cut off automatically, leaving enough charge in your battery to start your vehicle#.

## Key Features

*Comes with a 32GB SD card^*

- Records both audio and visual footage.
- Built in GPS and WiFi: GPS provides speed recording and tracks travel via Google Maps. WiFi allows for viewing a live feed, downloading footage and adjusting settings.
- SD card allows for easy viewing of captured footage on a PC, adjusting user options, playback footage in slow motion and more.
- Dedicated App (available via iOS and Android) for reviewing captured footage.
- Available as front or dual (front and rear) configuration.
- Professionally installed by a trained Technician.
- Comes with a 3 year nationwide warranty\*

## Benefits

*Your best eye witness in the event of an accident*

*The Power Magic Pro is included with your purchase and ensures the Vehicle Drive Recorder continues to record when the vehicle is parked*

- Helps provide evidence in the event of an accident.
- In any sudden accident, footage can be replayed immediately via the App.
- Built-in GPS and WiFi makes for a cleaner installation with less cables, and removes the need to take the SD card out for simple tasks.
- Saves and organises files on the microSD card in a way that reduces the need for regular SD card formatting, and prevents file corruption events after long periods of use.

^32GB SD card supplied with dual configuration. 16GB SD card supplied with front only configuration.

#Power Magic Pro included to enable Parking Mode.

\*Warranty terms, conditions and exclusions apply.
